PERTINENT INFORMATION

Dispatch from [redacted]

18. The important question to us is, "Do we penetrate the [redacted] or do we set up liaison with it". On this subject, I should like to make the following remarks:

b. Though the police have not exactly been unfriendly towards us, our stand on the Palestine question has hardly put them in a cooperative frame of mind. Furthermore, certain police officers (I am not sure which) are dead set against working with the Americans and they sabotage any attempts of friends in the service to help us. (Note: We have just learned that Col. RAUF, fnu the German advisor to the Syrian Army Deusieme Bureau, is sabotaging our attempts to work with the Deuxieme Bureau.)

THIS IS ALL THE INFORMATION PERTINENT TO THE SUBJECT IN THIS DOCUMENT.
